

WORTH WILL

POLYSURLYN MOISTURE BARRIER EMBOSSED ALUMINUM COIL/SHEET

Embossed polysurlyn laminated aluminum sheet coil can be used in many fields, such as chemical, shipping, metallurgy, thermo electrical and construction industry. It can be widely used in the equipment protection and insulation decoration. Especially for the refinery storage tanks, pipes and so on.

Application:

It's widely used in the fields of chemical, shipping, metallurgy, thermo electrical and construction industry. It can be widely used in the equipment protection and insulation decoration. Especially for the refinery storage tanks, pipes and so on.

Advantages:

- 1) Customized packaging solutions for extended shelf life
- 2) Excellent barrier against moisture, oxygen & odor
- 3) Excellent mechanical properties even at low thickness
- 4) High burst strength and puncture resistant

TECHNIQUE PARAMETER

Item	Alloy	Temper	Specification	Barrier	Protection	Capacity/ month
Polysurlyn Moisture Barrier Embossed Aluminum Coil/Sheet	1050, 1060 ,3003 etc	H14	0.1-2.0 mm x 200-1200 mm x C	76 microns blue barrier	Plastic film covered	2000 tons

PRACTICAL SCENE
